

REIKI I Certification

Easy to learn!

Everything exists as energy.

The ability to heal is inside of you, dormant, and waiting to be activated and relearned.

A Reiki attunement is an initiation into a deeper level that infuses the body and lightbody with vibrant energy and light.

Together we can **reveal the great beauty quietly waiting inside you.**

I'd love to share more about this with you.

"I consider Shellee a true bodhisattva and radiant guide who serves with humility, wisdom and grace. Please consider giving yourself the gift of her deep presence."
~ Joy H., Oregon

"It was a beautiful, potent evening. Barely slept, so much Shakti moving through." ~ Ajana M., Oregon

"I was so comfortable and at ease with Shellee that it made my whole experience as spiritual and peaceful as I had imagined!" ~ Paulette C., Massachusetts

"...you led me there, the guide to the centre of my soul. I've been waiting for this all my life, and you brought me to this place. Thank you. It simply doesn't seem enough to say just that, the gratitude is much more." ~Iram Q., London, UK
